

The Official Guide to Ancestry.com

Whether you are coming to Ancestry.com for the first time or have used it for years, you need The Official Guide to Ancestry.com. Written by noted genealogist and lecturer George G. Morgan, this official guide takes you inside the #1 website for family history research for an unprecedented tour. This second edition includes chapters on the new search at Ancestry, MyCanvas, and Ancestry DNA. In addition, it helps you create and develop your own Family Tree, explore obscure databases you didn't know existed, and more. You've always known Ancestry.com was a valuable resource. Now you can learn to use it like never before.
