

A Place I Know Well: Elementary Student's Book + CD (Real Lives Real Listening)

A new classroom course based on unscripted and authentic listening materials Real Lives, Real Listening will teach students vital skills they need to listen more effectively to English, however it is spoken. Through authentic recordings the course exposes students to the grammatical structures and lexis which are used most frequently in spoken English throughout the world. * CD with authentic interviews featuring native and non-native speakers of English * detailed comprehension and practice exercises * includes information on simplification, linking, elision and weak forms * teachers notes and answer keys available at www.collinselt.com Real Lives, Real Listening will boost students confidence and raise their awareness of the differences between spoken and written English. Created by Sheila Thorn of The Listening Business, the series reflects the latest academic theories on the importance of authentic listening practice in language acquisition. Suitable for learners at Elementary level (CEF level A2-B1)
