

The Majesty of the Law: Reflections of a Supreme Court Justice

In this remarkable book, a national bestseller in hardcover, Sandra Day O'Connor explores the law, her life as a Supreme Court Justice, and how the Court has evolved and continues to function, grow, and change as an American institution. Tracing some of the origins of American law through history, people, ideas, and landmark cases, O'Connor sheds new light on the basics, exploring through personal observation the evolution of the Court and American democratic traditions. Straight-talking, clear-eyed, inspiring, *The Majesty of the Law* is more than a reflection on O'Connor's own experiences as the first female Justice of the Supreme Court; it also reveals some of the things she has learned and believes about American law and life reflections gleaned over her years as one of the most powerful and inspiring women in American history.
