

You Dont Have Cancer, You Have Endometriosis: My Story of Strength, Courage, And Persistence

This is my story of strength, courage and relentless persistence. I was told I had a disease called Endometriosis while others said nothing was wrong and I as a bother. I was having unusual vaginal bleeding and other symptoms for almost one year. I had made several trips and numerous phone calls crying for help. No one heard my cries. This is my personal journey of having cervical cancer and surviving the unthinkable.
