

Lost Teachings on Finding God Within (The Lost Teachings of Jesus Book 4)

In the Lost Teachings of Jesus series, Mark L. Prophet and Elizabeth Clare Prophet show that many of Jesus original teachings were lost. Some were never written down. Others were altered by Church councils. And those that were recorded in the Bible are misinterpreted to this day. The Prophets set the record straight with a bold reconstruction of the essence of Jesus message. In this fourth volume of their landmark series, they show you how to put the teachings of Jesus into action to meet the challenges of life in the modern world. And they share effective techniques you can use to access the creative power of your Real Self.
