

## The Great House of God

Gods greatest desire is to be your dwelling place -- The home for your heart. He doesnt want to be merely a weekend getaway. He has no interest in being a Sunday bungalow or even a summer cottage. He wants to be your mailing address, your point of reference, your home ... always. He wants you to live in the Great House of God. Using the Lords Prayer as a floor plan, Max Lucado takes you on a tour of the home God intended for you. Warm your heart by the fire in the living room. Nourish your spirit in the kitchen. Seek fellowship in the family room. Step into the hallway and find forgiveness. Its the perfect home for you. After all, it was created with you in mind. Theres only one home built just for your heart. No house more complete, no structure more solid: The roof never leaks. The walls never crack. The foundation never trembles. In Gods house, youre home. So come into the house built just for you. Your Father is waiting.
