

Survival Off the Grid Box Set (2 in 1): How to Go Off-Grid, Survive and Live a Self Sustainable Lifestyle (Emergency Survival for Preppers)

Survival Off the Grid Box Set (2 in 1)
Book One: Surviving Off The Grid: The Preppers Guide to Survive the Grid Collapse and Live the Self-sufficient Lifestyle
Surviving Off The Grid book contains proven techniques and strategies to help you get started building your own off the grid survival stockpile. The book provides handy tips on how to choose the perfect food storage, satisfy criteria of food packing and proper storing, making your survival garden and other tips and advices on how to survive SHTF scenarios and start living off the grid. Our guide will help you learn all the basic survival preps you need to know about surviving off the grid and becoming self-sufficient with simple tips and step-by-step approach.

Book Two: Living off the Grid: How You Can Go Off-Grid in Number of Ways and Live a Self Sustainable Lifestyle
This book is about living off the grid. Most people in the industrialized world may think it is just about putting solar panels on the roof of your home or buildings. Others fear that it is turning back the clock to rough it without any electricity or water supplies, out in the wild. Still others wonder if it doesnt mean dropping off the radar in all ways so that no one can find you ever again! It is all of this but so much more! Well show you a wide range of ways that anyone can call themselves an Off Gridder, and how to do it at little to no cost as well as to spend your entire savings doing so!
