

PWN the SAT: Math Guide

NOTE: This book is for the old SAT, which was given for the last time in January of 2016. If you will be taking the SAT after that date, the book you want is also available on Amazon. Search for it by its ISBN number: 9781523963577. PWN the SAT: Math Guide was created to help ambitious, highly motivated kids maximize their SAT math scores. Do you crave a higher score? Are you willing to do a little hard work to achieve it? Good. I knew I liked you. Read this book from beginning to end, with a pencil in hand and a calculator and an Official SAT Study Guide (AKA Blue Book) by your side. When you're done, you'll be able to approach the SAT with confidence--very few questions will surprise you, and even fewer will be able to withstand your withering attacks. Stand tall, intrepid student. Destiny awaits. Inside you'll find: Essential test-taking strategies Techniques that make a difference The math you need to know Challenging diagnostic drills Solutions worked out by hand Question-by-question breakdowns of the tests in the Official SAT Study Guide Candy (not really)
