

The AMAZON MTurk Playbook: How to Create a Second Income Online by Completing Small Tasks as an Outsourced Independent Contractor

With the launch of the Amazon Mechanical Turk outsourcing program, stay-at-home work has never been more of a reality for anyone who wants to make money without leaving the house! This program opens the doors to not having to get a part-time job, remain at home with the kids, and work on your own time ANYTIME you want. The beauty of this program is you can bring work with you wherever you go, without worrying about missing an opportunity to bring in extra money. The income possibilities are unlimited and in this book I will show you how to get started and maximize use of this program to start bringing in an income immediately. In this book, I will show you: - What is Amazon Mechanical Turk - How to Get Started TODAY! - How it Works - Tasks to look for that yield the highest income - How to maximize your income - How to get paid This is the definitive go-to guide for getting started making additional money using Amazon MTurk in the privacy of your own home.
