

## The Great Egg Hunt

Grandad Seth has a golden egg, his pride and joy, that he puts out every year to see in the spring. Only this year, while Seth and the grandkids are sleeping, his egg is stolen, by the Springtide Bunny. Unfortunately for the wily thief Seths grandkids are Frank, Arthur, Norman and Stan, four strapping trolls with bad tempers and a taste for bunny. Join the troll brothers as they encounter gnomes, dryads, dwarves, goblins and more bunny rabbits than they can reasonably manage, as they hunt the thief in the night and try to rescue granddads treasure and find more than just golden eggs.
