

How To Hunt The Supernatural: Aliens

How To Hunt The Supernatural is a series of books that discusses the strengths, weaknesses, and various other aspects of different supernatural entities. Loosely based on the popular TV show, this series of books is meant to be both fun and informative. Aliens and Alien Abduction have long been interests of mine. This book is was written mainly for people that have an interest in the subject, but also enjoy the popular TV show Supernatural. This book combines both subjects into a format that is both fun and informative. In addition to what you will find in the book, each book in the series contains links to additional audio for further research. There are an additions SIX HOURS of AUDIO links contained in this volume. Also included is a Hunters Checklist for those that are serious about putting together an investigative group to research the supernatural. More books in this series are scheduled for release in the near future. If you are interested in being notified when new books are available, please subscribe to my website which can be found at: www.ministerfortson.com *Disclaimer: This book is in no way associated with the creators, writers, distributors, broadcasters or anyone else involved in the production of Supernatural, the TV show. This book is not about any of the characters in the series nor does it contain references to those characters in any way, shape, or form.
