

Six Months Without Sundays: The Scots Guards in Afghanistan

Max Benitz reports from the frontline of a highly controversial war in a perceptive and revealing account of several months spent in Afghanistan with this world-famous infantry battalion. Training with them and living amongst them as they undertake their tour in Helmand province, Benitz gives a unique insight into the pressures faced by those who risk their lives every second of the day in one of the most dangerous places on earth. Fascinating and illuminating, *The Scots Guards in Afghanistan* reveals new insights into the war raging in Afghanistan and the men and women who bravely serve there for the British forces.
